Each of them is brisk, passionate and lucid. Storytelling in families established a bond between generations and provided a window to the adult world. This site uses cookies. Jonathan Rowe illuminates the scale and value of the commons, its symbiotic relationship with the rest of our economy, its importance to our personal and planetary well-being, and how it is threatened by privatization and neglect. Proven, Profitable, and Sustainable For the past fifty years, leaders in the business world have believed that their sole responsibility is to maximize profit for shareholders.
