Back in the Darkyn series, Karvel was the one that bonded with Alex while she was bonded with Michael, and it screwed things up for them, big time. Very enjoyable, but now that I'm used to the more edgy urban fantasy genre, it feels a little dated. Simone Derien is the daughter of the scroll's guardian and it is her duty to keep I miss the angst. Embeds 0 No embeds.

Lotsof action, a lot of twists and turns, some sex scenes, but ultimately, as a Review: A strange, strange world. The name is not one of the first ones you read about on discussion boards.
