This is the best time to hyper-moisturize and work on a tired complexion. Why It Works: A toner helps to balance the Ph of your skin after cleansing and prepares your complexion for essences, serums, moisturizers and finishers yep, all of those products in that order! Why It Works: Asian Beauty Secrets first step is for makeup removal and the second is for purifying the skin and for removing dirt and pimple-causing sebum.

HadI discovered these earlier in life, I think I would have saved myself a lot of the same morning manner, next apply a toner to balance the skin's pH levels.
