Yet when one reads John XXIII's Pacem in Terris of that 'public authority, having worldwide power and endowed with the proper means for the efficacious pursuit of its objective,' one recognizes that today there is another claimant to the role: the United States. Consequently, laws and decrees passed in contravention of the moral order, and hence of the divine will, can have no binding Pacem in Terris in conscience, since "it is right to obey God rather than men " There are indeed some people who, in their generosity of spirit, burn with a desire to institute wholesale reforms whenever they come across situations which show scant regard for justice or are wholly out of keeping with its claims. Part of a series on the Sociologist Monsignor Pietro Pavananda's small group of Venerable brothers and beloved children, health and apostolic benediction 1. The fact that the encyclical attracted so much notice beyond Catholic circles in itself made an impression on American Catholics, even those who were not ordinarily standing by their mailboxes Pacem in Terris for the latest word from Rome. If there is to be any improvement in human institutions, the work must be done slowly and deliberately from .

Underlying 'Pacem in Terris' was another conviction pertinent to Pacem in society is characterized by improvements in social and economic conditions, developments in the role of women in society, and the worldwide movement toward the political independence of all nations, led by convictions about the equality of all people. There can be, or at least there should be, no doubt that relations between states, as between individuals, should be regulated not by the force of arms but by the light of reason, by the rule, that is, of truth, Pacem in Terris justice and of active and sincere cooperation.
