Now what do I think after reading this and considering the points you covered? You don't need to become an Indiana Jones of international investing by venturing into fourth-world countries like South Paragama or Liberia ok, I made those up, didn't want to THE COURAGEOUS INVESTOR : Investing for Bulls folks in Turkmenistan or some other places heading towards the stone agebut there are plenty of countries that have a stable political regime and the rule of law. It has been a great deal for both of us.
