No, annoying - and unnecessary. At what point do they break the social contract that binds us all together?

It will be their refuge for the day: a place where they can meet, wash in the bath. Forgot your password? In one particular scene, Binoche commits herself entirely to Dibs's masturbatory excess, making full use of the ceiling mounted stirrups and the metal dildo in the middle of the room.

Watching 'HighLife' was like traipsing through a post-modern art exhibit. E have to be making this up.
