More far-reaching alternative visions were presented and articulated at the San Francisco Conference, and the NGO consultants and a handful of democratic Latin American states were among the most eloquent spokespeople for those alternative visions. There are many examples of programs entailing these goals and methods.

Funding agencies supporting human rights education are listed in Frank Elbert ed. Latin America, for example, complicates these binaries that associate the Global North with the West. His initial draft included most of the things you can still find in our current Human Rights Act, and is especially, and presciently, strong on rights to privacy and dismissal of secrecy.
