If not for the AI pains, I'd give it a solid Someone mentioned getting missions he could not complete in time. Good because I still have to say this: I came into this game expecting nothing, I hadn't even heard of Conflict (Terran Times) X universe or even played a game like this ever before and yes, like all beginners I spent most of my time pouring over spreadsheets and guides, tearing out my hair and yelling at my computer yet I loved every single damn infuriating minute of it!
