I have no complaints about the other characters though except that I would have liked a tad bit more of background information to round them off and make their actions and beliefs more understandable. It is up to her to protect herself and the mysterious psychic child who has been thrust into her life. Short, romantic, sometimes over-the-top, frequently steamy, and always with ... [Read More] MycopyactuallysaysP I received an eBook copy from the author for purpose of honest review. He masterfully makes this easy to follow without getting lost so you are learning and feeling along with the characters.
