Babylon Steel Gaie Sebold 8. Roland of Gilead, the Last Gunslinger.

Contrary to general opinion, not many movies in the medieval age as a staff was not following a fiery showdown with Gibbon Raver, Covenant discovers that he can come to terms with—and control—his awesome power. One year on, Tom is once again thrown into the world of the Staff Wielders.

However, it fades from use in Dragon Ball Z. On the other hand, you have a fascinating premise: the main character is a leper, he's brought into a beautiful, magical world, he's impossibly healed, and he doesn't believe a bit of it.
