The continued tactical use of the cavalry charge resulted in the loss of many troops and horses in fruitless attacks against machine guns. Cleveland Bay Horses.

War artist Alfred Munnings was sent to France in early 1915 as an official war artist. He writes only of the battles in which he participated including the Somme and Passchendaele though his comments on affairs beyond his knowledge at the time, through later study and reflection, are pungent and stimulating. Imperial War Museum.

Historians have long debated the place of war and the military in British culture. The author is critical of Churchill, but he only goes so far with his assessments. We can now in fact allow our soldiers some amount of individuality, of will; free them from some of the iron bands that tether them so tightly; from the incessant alignments, the dressings, the toe-the-line, chins-up business, and let each man carry with him into the greatest ordeal ever invented, some of these higher qualities that make him something more than the beasts.
