The book is also described as a mirror – a common trope in this period – anybody will find their own foolish likeness in it and Brant makes reference here to the lively woodcut images that accompany each chapter. This book is still published today albeit without hand engraved blocks and movable type. ViewallcopiesofthisISBNedition:. It was the easy access to this ancient wisdom – which the humanists had placed at the

centre of modern education – that ensured the popularity of the Ship of Fools. In Saxony the court fool Claus Narr was famous for his prophecies.

ChironMediaWallingford,UnitedKingdom.ShipswithTrackingNumber!All other in interpretation between it and the version of this scene published in characters in the edition are depicted full-length in front of a brick Cologne pl. Those who insist they are already wise are in fact the most foolish, for they are blind to their folly.
