Greed, false piety, power, bigotry, and dirty deals make for a dangerous mix he knows all too. They must stop the EMP that would wreak havoc on communication and electronic systems on Earth, resulting in chaos and anarchy.

This is the moment when you hope dies. Cut Thin to Win - A. Payne races to find the killer before he can unleash an even more savage attack. This year, Suarez hits on a timely plotline involving deep-space exploration, which could end up altering human civilization forever.

And why are there no signs of a vehicle near where he fell? *Graveyard Dust 4*. The broad strokes of the series are that you have this guy who is a free person of color in New Orleans at the beginning of the 19th century, so that is the part that brings in a lot of interesting social and historical information, and he solves murders, in a fairly straightforward yet pleasant genre murder. I've always liked this series a lot, but apparently got out of the habit of periodically checking for new ones, because now there are like twelve or some crazy number, and I was a bit.
