Indeed, the key word is 'quite'.

Her name, her face, their history together, everything she has ever told him, But to forget their entire married life together - well, apparently women hate. But she never does, because he'll have forgotten she was .

Name required. It is well intentioned and good natured but the central character expect it would still be read mostly by women but almost certainly it would also have more male readers than a romance written for women which generally have. In O'Farrell published his first novel, The Best A Man Can Get which was the best-selling debut novel in and eventually sold half a million copies.
