The history of American evangelicalism shows us a group of believers who find the most in common when it comes to race and politics. However, the story of Antony Flew is one that atheists can and should not discard, as he experienced something very different. There was no dramatic renunciation. Werealize, however, that we can never know all there is to know, so when we put it
Walter Mason wrote that Unitarians were more evangelical than the theological conservatives, who spent far too much time poring over the Pauline epistles and the creeds. In my personal life as a Christian it has not been easy at all in my forty-three years on the planet earth, I had struggle with issues dealing with a mental illness of bipolar disorder, which had and some days even today, though struggle can be seen and does has some affected both my mental state of mind but also parts of my life as .
