Une belle brochette! This could lead us to question the scope
of our ambition, and reinforces our deeply held belief that
people are the cornerstone of future growth. As for public
sector investment, it seems increasingly likely that it will
suffer given the broad trend towards reining in sovereign debt
levels and the need for deficit reduction.

On Abraham's model, then, Colet establishes spiritual action
as the true "work of the law," expressing what is "mental and
spiritual" mentale et spiritale ExR, II. Perhaps more
interesting was Crozier's subtle insight that all strata
inside French organizations had it in their interest to
maintain formal rules of subordination and avoid informal
groupings or relations so as to protect themselves from the
vagaries of discrimination and favoritism.
