It is often the first book he chooses. Science podcast for kids.

We just read the ones on Greece and will read more when we check it out. Young children will enjoy having these stories read to them, while older children will delight in reading them to themselves. Language: English. Selecting the best of our literary heritage, Baldwin cast it into a form that delights children of all ages.

Want to read saving... They were included in our textbooks sort of but found in anth also don't have the time to listen to all 50 at once, which is what I would have to do if I wanted to hear them all without driving myself crazy rewinding and fast forwarding to find where I left off. Mar 03, Colin Jones rated it it was amazing.
